

MARSS Reporting Procedures from the MDE Summer Status Changes

MDE is implementing procedures *starting this Fall* based on recent Federal standards regarding new graduation rate calculations for AYP (annual yearly progress).

Managing Summer Status Changes

Carol will temporary back-date summer leavers start date to 8/1/ of the current year once they are updated in IC behind the scenes. This is done so these student records are not uploaded to Food Service, and VersaTrans. Once school starts they will be changed back to the day before school starts.
